ISHAV VERMA

Student – Model Institute of Engineering and Technology.

PROFILE

I'm a learner who loves to keep on exploring the emerging technologies & a **Specialist** in AI ML.
Currently I'm pursuing my **Bachelor of Engineering** in field of **Computer Science & Engineering**. I've a good hands-on experience in UiPath RPA, Machine Learning, C, Python & currently studying about Cloud Computing & Blockchain. I am also good in coordination and can guide others too. And also capable in teamwork & leadership. I'm also **Enterprise Design Thinking Co-Creator,** completed course through IBM Design thinking platform. And also have earned skill badges in many field & have a good knowledge about that fields too. Also, currently I was being Secretary at IUCEE MIET, Core Team Member at ACM MIET, ML Lead at GDSC MIET, Publicity Coordinator at DSA Club MIET.

HOBBIES

Music
Blog Reading
Exploring current affairs & Tech

EDUCATION

Vidya Peeth Public Higher Secondary School, Jammu.
(2007 – 2017)
Oriental Academy Senior Secondary School, Jammu.
(2018-2020)
Model Institute of Engineering and Technology, Jammu.
(2020-)

WORK EXPERIENCE

- **GrabOn – Campus Ambassador**
  (July 2021 – Oct 2021)
- **Tryst IIT Delhi – Campus Ambassador**
  (Jan 2022 – June 2022)
- **Solitaire Infosys – Machine Learning Intern**
  (July 2022 – August 2022)

SKILLS

Skill	Level
ML & DL	80%
RPA	80%
C++	80%
C	80%
Python	80%
MS Office	90%

CERTIFICATES

IBM-IBM Specialization in AI ML
Qwiklabs-Google Cloud Essentials
IBM-IBM (ML0101EN) Machine Learning with Python
HackerRank-Problem Solving
and others too… (refer to LinkedIn)

PROJECTS

Human Voice tone Emotion Detection.
Object Classification using Computer Vision.
TB Detection Using X Ray.
